MONDAY JANUARY 7: Eleanor Craig with Accessible Arts will talk about the Discovery Trails Program. Lion Irene Owen will introduce our speaker.

LAST MONDAY: Nicole McClure, a student at Kansas University, showed slides of Paris that she took on her 2007 trip to France. As an art student she had seen paintings every day in classes, but she says seeing them "in person" was awesome. Paris impressed her for its classiness. She was introduced by Lion Don Spradling.

GUESTS: PDG Bernard Lee, Esther Spradling.
