

THE TOPEKA TATTLE

Telling the World about Topeka Lions . . .

Topeka, Kansas

Vol. 79
Next Meeting March 24, 2008

Published: March 5, 2008
Meeting Place: Top of the Tower

Number 28
12:05 p.m.

MONDAY MARCH 24: Brett Starbuck, Emergency Preparedness and Community Outreach Team Leader for the Shawnee County Health Agency will do a presentation on Emergency Preparedness. He will share information and provide a specially prepared booklet to help residents be prepared in the case of a disaster, be that caused by storms or other emergencies. Lion Irene Owen will introduce the speaker.

LAST MONDAY: Barry Edwards, Technical Services Director will present a program about the more than 900 New York rescue workers since Sept. 11, who were exposed to toxins from the collapse of the World Trade Center. The New York Rescue Workers Detoxification Project is endorsed by the largest police union chapter in the U.S., The Patrolmen's Benevolent Association of the City of New York. "Environmental diseases either manifest as common medical problems or have nonspecific symptoms . . . the primary care clinician can play an important role in detecting, treating and preventing disease due to toxic exposure." U.S. Department of Health & Human Services Agency Alert Public Health Action, Environmental Alert, January 25, 2007. Lion Irene Owen introduced our speaker.

GUESTS: Lion Mark Saylor introduced Mark Coates and David Sechrist.
