MONDAY APRIL 30: Students from the seven local high schools will attend our meeting. Bring a friend and learn what fourteen graduating seniors are planning to do for their future education. Each school will send a sponsor. Try to be to the meeting by 11:30 if possible to greet and talk with the students and sponsors.

LAST MONDAY: ERC Resource and Referral representative, Laurie Pigg talked about the programs and services provided by ERC. She had information about this year's ERC Designer Showhouse "Paradise in Potwin". ERC had been in Topeka for about 30 years and provides referral information to anyone who calls them. Much of their current work involves child care and they currently work in Shawnee County and the four counties next to us. Starting July 1 they will provide child care information to the 46 counties in 785 area code. They have information on jobs and housing and eye glasses referral. They currently have 14 employees. ERC is a United Way agency and receives money from Shawnee County as well as the fund raiser, Designer Showhouse. Lion Irene Owen introduced our speaker.
