MONDAY JUNE 9: Amy Herrick with Kansas Drug Card will present a program on the Kansas Free Discount Prescription Drug Card. The Card is a free source for nationwide discounts on prescription medications. Savings can be up to 75% off -locally. Amy will explain how to get the Free ID card at a local pharmacy. Although it says "Kansas" in the web site title, these discount prescription drug cards can be used nationwide in a network of over 50,000 pharmacies including 176 recognized national chains.

LAST MONDAY: The storm that arrived in Topeka about 11:00 AM limited the number of Lions attending the meeting. The announced program will be presented at a later meeting. Discussion of the State Convention activities and the Eyes Wide Open Golf Tournament took the place of the program. The Tournament will be August 3. Contact Lion Mark Saylor at 478-2540 for brochures which also include applications. Brochure also available on Lions Website. Lions.vocshop.com. Since this is a new fund-raiser, all Lions are needed to be actively promoting the Tournament.

Some Lions have been unable to read Lion Phil Menninger's email attachments because of the format used by Microsoft Word 2007. The solution to the problem is to click on the attachment and a message will pop-up saying that a conversion program is available from Microsoft. Click on OK and allow the program to download and run. When that is complete the attachment will open with a warning that some editing functions from Word 2007 will not be available. This is a one time download and future attachments will open when clicked on.

Tail Twister Lion Les produced a lot of Lion Roars to lighten the dark clouds of the stormy day.
