The book details Gary Clark’s lifelong passion for animals and chronicles his extraordinary career in the world of ZOOS.

LAST WEEK:

There was no meeting last week due to the fact that the Top of the Tower was closed.

ANNOUNCEMENTS:

This issue of The

is being dedicated to **Lion Spencer Smith**. District Governor Peggy Jacobson says when she installs new officers, the old officers step down, but technically your editor feels that Lion Spencer’s term as president doesn’t really end until July 1, and that day is yet to come.

The Tattler has a long history, and **Lion Spencer** has played a large part of its history. For quite some time, week after week, he saw to it that the members of our Club were kept informed about what was going on within the Club. This is no small task, and he did yeoman service to the Club as the editor of the Tattler.

The Tattler is our communications piece. It is often what keeps us together. It is an important tool that helps us be a better Lions Club. And, thanks to **Lion Spencer**, we are a better Lions Club for the enormous amount of time he spent as editor of our newsletter.

This is the last issue under his administration.

Open Program Dates:

Our Golf Tournament Committee continues to be on a roll. Unfortunately their meeting was on Monday the 29th at the Cypress Ridge Golf Course at 7:30 a.m. This was a wee bit early for some of us late sleepers! **Chairman Mark** was going to play a few holes to see how he would fare in this heat we are currently having.
