MONDAY AUGUST 21: Lion Steve Page will tell us about his life.

LAST MONDAY: Barbara Wiggins, Director of TPAC talked about the changes occurring in that organization. She is instituting new ways of finding shows that will take the risk of coming to Topeka and not relying on TPAC to cover losses if they occur. She is looking for donations from businesses to help support the building by helping with painting and other upkeep. She is aware of the large markets nearby and finds that going with successful programs several years later is a good way to do TPAC business.
