Have you looked at this URL: <http://www.geocities.com/kansaslionsclubs/topeka.htm> ? **Lion Bill Roach** call this to your editor's attention. It is an interesting page, but needs to have a little updating. If anyone knows who the webmaster is, or who is taking care of this page, please let the Tattler editor know.

ATTENTION COMMITTEE CHAIR: Do you have a regular schedule for your committee meetings? If so, would it be possible for you to send your meeting schedule to the Tattler Editor so your meeting information can be included in the Tattler calendar? Thank you. **Editor Lion Phil**

Although the **Film Series Committee** is in limbo at the moment, don't forget that our first film comes in just a bit over a month from now. We still need to sell tickets and the Committee can always use manpower on show nights. Just because you don't hear **Film Series** every day doesn't mean it isn't there!!! Our 2009-2010 Series will be in a new venue—the Kansas Historical Society Facility, so in a sense, it will be a new experience for us. If you can help, talk to **Lion Dave, Lion Spencer, or Lion Dick.**
