MONDAY SEPTEMBER 25: Dr. Justin Tourtillott from Hearing Doctors of Kansas will present break though in Hearing Technology. The problem of hearing loss afflicts over 30 million Americans of all ages. Dr. Tourtillott will be introduced by Lion Irene Owen.

LAST MONDAY: Maps, history and the mystery of Africa, Gary Clarke, Safari Leader with Cowabunga Safaris, talked about the African continent and showed maps he has collected over the years. A student of the world since the age of seven when his father gave him a membership in National Geographic, Gary has been especially interested in Africa and has made more than 170 trips to the continent. His map collection presents the history as the mysteries of Mountains of the Moon, source of the Nile, and Tombutoo were figured out. Lion Ray Miller introduced Mr. Clark.

#### ANNOUNCEMENTS:

Journey for Sight will be Saturday, September 30<sup>th</sup>. Lion Russ Willis has a sign-up sheet and is requesting that Club members contact him at 234-9476 to indicate you can help that Saturday, starting about 6:00 AM. With the new location, Lake Shawnee, and new run length, 5K and 10K, more helpers are needed. Round up some friends and relatives and enjoy the morning.

Travel Series starts October 19<sup>th</sup> with Dale Johnson presenting his film "Canada's National Parks". Lion Dick Hodges has brochures to hand out and tickets need to be sold. Check out the travel destinations and ask friends to join you for the trip.

The meal drawing was for Lion Tom Murphy who was not present.
