MONDAY DECEMBER 10: Annual Christmas Party. Bring you spouse and/or friends and enjoy the special program Lion Forrest Davidson has in store. Lion Forrest said Monday that we will be entertained by a professional group! If you were not at last Monday's meeting, please call Lion Irene Owen at 249-1913 and let her know how many people will be attending so the Top of the Tower can have tables setup.

LAST MONDAY: Lion Irene Owen introduced Judy Billings who works with the National Heritage Area. As part of the National Parks system regions of the country are creating areas showcasing unique culture and story. There are currently 37 Areas in the United States. The Kansas Area will tell the story of Bleeding Kansas and include 41 counties in Kansas and Missouri. Much work needs to be done to complete the Area that was authorized by the Congress and signed into law in October 2006. There will be a meeting at the Overland Station next Thursday, December 13th starting at 10:00 AM for working on the management plan or for learning more of what needs to be included in the National Heritage Area.
